

State of Alaska FY2010 Governor's Operating Budget

Department of Health and Social Services Senior Residential Services Component Budget Summary

Component: Senior Residential Services

Contribution to Department's Mission

To allow tribal elders to remain in their communities near their families.

Core Services

- This component provides grants to two rural providers (Maniilaq Association and Tanana Tribal Council) for group residential living with supportive services for frail rural elders. These facilities and local services offer an alternative to elders who may otherwise have to leave their homes and communities to live in an urban institution. Elders contribute to their room and board. Grant funding subsidizes the operating costs of the programs.

Key Component Challenges

This program provides residential services to Native elders through grants to two rural health care providers. The major challenge in this component will be to have these two entities bill Medicaid as IHS 638 hospitals.

Continuing Issues:

- The rapid growth in the Alaskan senior population.
- No growth in state resources for the Senior Residential Services programs.
- Sufficient grantee training to provide adequate CHOICE and assisted living services.

Significant Changes in Results to be Delivered in FY2010

- Maniilaq has begun billing for eligible Medicaid waiver clients.
- Tanana Tribal Council is receiving technical assistance from the department to be able to bill for eligible Medicaid waiver clients.

Major Component Accomplishments in 2008

In FY2008 the grants from this program served the following number of clients:

- Maniilaq Association (Kotzebue Senior Citizens Cultural Center)

 68 Part-time elders from surrounding area villages.
 95 total clients served
